

Activated carbon
dietary supplement

Activated carbon contains pure activated carbon which supports functioning of the alimentary system and intestines. Due to its strong absorption properties it acts as an adjuvant in food poisoning, diarrhoea and flatulence.

Ingredients

Activated carbon, gelatine capsule.

Active substance	1 capsule
Activated carbon (<i>Carbo activatus</i>)	150 mg

Intended use: The product is intended for adults at the age of over 12 years. It must not be used by pregnant or breast-feeding women. Do not use in the case of hypersensitivity to any of the ingredients.

Recommended intake: 1 capsule once daily.

Warnings: Do not exceed the recommended daily dose. A dietary supplement should not be used as a substitute for a varied diet. It is recommended to follow a balanced diet and healthy lifestyle.

Storage: Store in a dry place, at room temperature, out of the reach of young children.
The package contains 10 capsules.
