

ESSETIVUM GOLD

dietary supplement

50 capsules

Essetivum Gold - is a high-quality preparation containing a specially selected composition of active ingredients that have a positive effect on digestion and the work of the liver and bile ducts. It is a dietary supplement containing, inter alia, derived from soybeans, phospholipids containing choline and phosphatidylcholine.

Ingredients:

Soya phospholipids containing choline, gelatine (component of the capsule), extender (microcrystalline cellulose), anticaking agent (magnesium salts of fatty acids), l-ornithine (l-ornithine l-aspartate), colouring agents (iron oxides and hydroxides), riboflavin, Vitamin B₆ (pyridoxine hydrochloride), colouring (titanium dioxide).

Ingredients	1 capsule	NRV%*	2 capsules	NRV%*
soya phospholipids including:	300 mg	-	600 mg	-
- choline	9 mg	-	18 mg	-
- phosphatidylcholine	79 mg	-	158 mg	-
l-ornithine l-aspartate including:	10 mg	-	20 mg	-
- l-ornithine	8.5 mg	-	17 mg	-
Vitamin B ₂ (riboflavin)	0.7 mg	50%	1.4 mg	100%
Vitamin B ₆	0.7 mg	50%	1.4 mg	100%

*%NRV = Nutrient Reference Value

Intended use: The product is intended for people of more than 16 years of age.

Recommended intake: The recommended daily dose, necessary to achieve beneficial effects, is 2 capsules daily. Take 1 capsule twice a day, or 2 capsules once daily, together with a meal, washing them down with water.

Warnings: Do not exceed the recommended daily dose. Do not use in case of hypersensitivity to any of the ingredients. A dietary supplement cannot be used as a substitute for a varied and balanced diet. Do not use in case of hypersensitivity to any of the ingredients.

Storage: Store out of the reach of young children. Store at room temperature, in a dry place protected from light.

Package:

50 capsules
