Instructions for use: Adults and children over 12 years: 1 ml from 1 to 3 times a day, depending on the severity of gastrointestinal discomfort. Declared effect with 3 portions of the product a day. Take a break after 4 weeks of use.

Shake energetically before each use by turning the bottle upside down for a couple of times. Then measure 1 ml with the attached measuring spoon, dilute in a small amount of water and mix. Drink right away.

Once opened, use within 60 months.

Note: Natural sediment of plant origin may accumulate on the bottom and the walls of the package. Some foam may form on the surface. It does not influence the quality and efficacy of the product. Moreover, there are some plant particles visible in the product. It is a desired effect that results from herbal origin of the product.

Storage conditions:

Store at room temperature (15-25°C), in a dry place, out of reach of small children. Protect from sunlight

and moisture. Once opened, use within 60 months. Store in a tightly closed package.

Warnings: The product is intended for adults. It is not intended for pregnant and breastfeeding women. Do not use in the case of hypersensitivity to any of the ingredients. Do not use in persons with gastroesophageal reflux as it may exacerbate the symptoms. It contains liquorice. Patients with hypertension should avoid excessive consumption. Not recommended for people with gallstones and hepatobiliary disorders. Excessive consumption may produce laxative effects.

Do not exceed the recommended daily dose. Do not use if allergic to any of the ingredients. Do not use after expiry date. The expiry date is on the side of the package. Dietary supplement should not be used as a substitute for a varied diet. Balanced diet and healthy lifestyle is recommended.
