## **Body and Hair Wash**

for children, sensitive

400 ml

### **PRODUCT DETAILS**

Body and Hair Wash for children was created out of concern for your baby's delicate and sensitive skin. It gently cleanses the baby's skin and hair and can be used daily. It strengthens the skin barrier, moisturizes, and protects the richness of the epidermal stem cells during each bath.

### **ACTIVE INGREDIENTS**

- **Aloe vera extract** moisturizes the skin and has soothing properties. Conditions skin and hair.
- **sweet almond oil** increases skin elasticity and enhances regeneration. Excellent for sensitive and very dry skin.

### **EFFECT**

- gently cleanses and protects hair and skin
- prevents epiderm dryness
- is gentle for skin, and does not cause irritation
- provides the effect of proper hydration
- eases hair brushing

### **INTENDED USE**

Suitable for babies and toddlers **over 1 month of age**. For daily skincare. For external use only.

### **USE**

Take small amounts of gel, lather, and gently wash your baby's body and hair, then rinse thoroughly.
